

**McFarland's Indian Mound  
Middle School challenges  
ALL Wisconsin middle school  
students to go...**

**May 7-8, 2017 Madison West Marriott**

## ***Welcome to the 2017 State Conference!***

It is our pleasure to be the Host School for the 2017 WASC State JAM Conference on May 7-8, 2017! *"Holy WASC Batman! We are only 3 months away from an AMAZING weekend!"* The Indian Mound Middle School Student Council has plans for a conference filled with fun, networking, & super leadership growth! We have developed this year's theme around the awesome superpowers of leadership. We all know the power of heroes like Iron Man, Wonder Woman, Captain America, Rogue, Batman, Black Widow, & Superman but we also believe that leadership is a superpower too. Leadership is a power that each one of us feels the responsibility to use for the benefit of others. In the weeks leading up to the State JAM, while we unleash our alter-egos, polish up our armor, iron our capes, & rediscover our own leadership might & responsibilities...we challenge you to join our League of Leadership.

The 2017 State JAM NEEDS your special talents too, so shed your secret identities & let your powers shine! Remember what Peter (Spiderman) Parker says, *"With great power comes great responsibility!"* Here is how you & your Council can help:

- Order a t-shirt through your adviser by using this [super link](#)
- Get some friends together to present a sectional ([use this link](#))
- Mask-Making Stations
- Service Project: Go Bags for Homeless Shelters (please see Region supply list & information)
- Warm Fuzzies to Make, Wear, & Share

The WASC 2017 State JAM is coming faster than a speeding bullet. Let's make the 2017 JAM more powerful than a locomotive through

activities that will leave us all with the leadership abilities to leap tall buildings with a single bound.

Sincerely,

The Indian Mound Middle School 2017 State JAM Team

## **Service & Fun Conference Projects**

- **“Go Bags” for Homeless Shelters** - Over half a million people in the United States are homeless. One quarter of homeless people are children. Tens of thousands of veterans are homeless. How can we help...even a little?
  - Each Region is asked to bring items for “Go Bags”. Students will assemble bags for distribution throughout Wisconsin.
  - Please bring:
    - Region 1: Bottles of Water & Band-aids
    - Region 2: Toothbrushes & Toothpaste
    - Region 3: Granola Bars/Trail Mix
    - Region 4: Packets of Kleenex & Facial Wipes
    - Region 5: Socks & Gum
    - Region 6: Chapstick & Quarters
  - Students will also have the opportunity to write personal notes (cards) to “go bag” recipients.
  
- **Warm Fuzzies** - Let's connect and share our authentic & kind selves at the 2017 State JAM. Each Council is asked to make & bring warm fuzzies for each of their representatives to wear & share throughout the conference.
  - [Story of the warm fuzzy](#)
  - [How to make a warm fuzzy](#)

- School Color Warm Fuzzies?
- A GREAT way for Student Council representatives to connect with each other in a fun & meaningful way.
- **Mask Making Stations** - State JAM conference participants will create unique masks to show their inner leadership strengths & powers at one of the mask-making stations.
