YOUR TRUE

Colors

Dear fellow Advisors and SC members,

Alexander Middle School would like to invite you to show your true colors at this year's Wisconsin Association of School Council's Region II Fall Summit. The conference will be held at the Dreyfus University Center at UW-Stevens Point campus on Thursday, November 15th.

Our theme for this event is "Show Your True Colors." We hope to encourage students to reveal their true self, be themselves, and develop a leadership style that inspires others.

There will be a keynote speaker and various breakout sessions to participate in that focus on the development of leadership qualities and skills. Students will be given opportunities to swap best practices with other councils, and come up with ideas to help improve our schools and communities.
