

## **ALL CALL FOR BREAKOUT SESSION PRESENTERS!!**

Dear Councils,

Please consider presenting a breakout sessions at the "Show Your True Colors" Fall Summit. Past sessions have included numerous topics such as: community service ideas, best practices, school spirit ideas, events or special projects, community service ideas, and leadership challenges and activities. Any new ideas that your council may have are welcome!

Each session will be 35 minutes in length. All of our councils have unique experiences and practices that we would love to learn about!

Please talk to your council about presenting a break-out session at our Fall Summit, and indicate whether or not your council would be willing to present on the form below. If you have any questions, please don't hesitate to contact us.

Thank you!
