

Dear Student Council Advisors and Members:

The Muskego High School Student Council, in conjunction with the Wisconsin Association of Student Councils, invites you to participate in this year's Region IV regional conference.

Where: Carroll University

Who's in Whoville: Our very own collection of schools and student councils found in Region IV. This group is dedicated to promoting community and school service and to developing leadership qualities in order to better serve others.

We hope that you consider attending this one-day conference where student council members and advisors alike can learn valuable leadership skills that will help to better any organization. It is through events such as this that Region IV will grow more connected and can communicate ideas that will foster growth for each individual council.

Registration is available through the WASC website at <https://wasc.org/events/regionvfalljamsummit/>. Please register no later than **Nov. 1**. The cost is **\$32** per student plus a **\$30** school fee. Lunch will be included.

If you are interested in hosting a sectional or have any additional questions please contact kelli.clark@muskegonorway.org by **Nov. 1**. Please include your school, name of sectional, and a brief description of what you will be discussing.

For more information or to submit sectional registration, please contact Muskego Student Council advisor Kelli Clark at kelli.clark@muskegonorway.org. We look forward to discovering all the places we'll go with you!
