

# Wisconsin Association of School Councils Regional Officer Application - Student

One of the most important positions at WASC is Regional Officer. Members of this exclusive body are responsible for coordinating activities for and representing the thousands of Junior and Middle School (JAM) and Senior High School (SHS) students in their WASC State Region.

Each year at State Conference, regions elect one SHS and one JAM president, vice president and secretary for a one-year term. Only two students per school may run for each office. The regional officers meet regularly throughout the year with their regional advisors. In addition, each JAM and SHS president represents her/his region on the WASC Governing Board, which is the governing body for the organization.

Thank you for your interest in representing your region in this pivotal role. Past regional officers and governing board members agree that their job as an officer was an enormous part of their educational experience. It goes beyond being a member of an activity, group or team; it is a chance to gain experience running an actual non-profit business.

To be eligible, students must:

- Be a current member of student council or have previous student council experience
- Have at least one year of attendance remaining at their corresponding level (SHS or JAM)
- Be available to attend regional meetings during the school year
- Submit this form to WASC before **April 15, 2019**

Elections are held during the State Conference Regional Business Meetings where students running for a position are required to give a 1-2 minute speech, followed by questions from the regional delegations. If you are unable to attend State Conference, please contact Michelle McGrath ([michelle@wasc.org](mailto:michelle@wasc.org)) to make other arrangements. Information on WASC's governing structure is available at [www.wasc.org/governance](http://www.wasc.org/governance)
